

IRCOBI Travel Grants

IRCOBI is delighted to announce travel grants to support students (enrolled in graduate or undergraduate program) and young professionals (<3 years from their terminal degree) attending the IRCOBI conference. These grants are intended to offset travel expenses and cover registration for individual delegates who are beginning their academic or professional careers in a field relevant to IRCOBI.

The grant consists of a cash award of up to 300 EUR (depending on actual travel costs) and complimentary registration at the conference.

The award will be announced well before the conference (usually early July).

Qualifications

1. The candidate must be an undergraduate or graduate student or a young professional in a field relevant to IRCOBI.
2. The candidate must attend IRCOBI conference.

Application

Applicants are requested to submit the following information (≤1 page in total):

- full name and academic degrees
- postal and email address, supervisor contact email
- short CV including a brief description of the current position and research interest
- short description of the benefit of attending IRCOBI
- estimate of travel costs (e.g. expected airfare, train ticket, etc.)

Please email your application to IRCOBI Secretariat: secretariat@ircobi.org.
